

LA VEDUTA

DINNER

STAGIONE

Chef Yoshida's Specialty

Every month, the head chef of the Italian restaurant La Veduta, Michiaki Yoshida, offers a new Stagione—meaning “season”—dinner that draws on the culinary traditions and ingredients of different regions of Italy.

We are proud to serve rice harvested in Italy.
Please be advised that seasonal ingredients will be changed depending on market availability.
The above price includes consumption tax and service charge.
If you have any concerns regarding food allergies, please alert your server prior to ordering.
